

Report of Committee on Constitution and Jurisprudence, 2016
Allied Masonic Degrees of Canada

Last Year the following motion was made at the Grand Session:

Motion by: R. Ven. Bro. Ed Wilson

Seconded by: M. Ven. Bro. Peter Park

THAT: section 117 of the Constitution be deleted.

Amendment by: M. Ven. Bros. Lawrence Halliday and William Laycock: That this recommendation be sent to the Constitution & Jurisprudence Committee. Carried.

The Constitution and Jurisprudence Committee recommends approval of this motion.

The other activity undertaken by the committee focused on the updating and printing of the constitution to reflect the amendments approved at last year's convocation. The updated constitutions have been printed including images of the approved regalia and are available to all councils going forward.

It has been a pleasure to serve in this capacity and I look forward to more activity for this committee in future years.

Respectfully submitted,

R. Ven. Bro. Edward Burt
Chair
