

FINANCIAL EXAMINER'S REPORT

I have examined the Financial Statements of the Grand Council of AMD of Canada and find them to be in agreement with their books of Account as at April 30, 2017 and for the year ended on that date.

In my opinion the Financial Statements reflect fairly the financial position of the Fraternity in all material respects, as at April 30, 2017, and their operations for the year ended on that date.
