Rt. Ven. Bro. Brain Rountree  
Grand Secretary  
Allied Masonic Degrees of Canada

Dear Brother Grand Secretary,

I respectfully submit to you my Annual Report as Chair of the Fraternal Relations Committee of the Allied Masonic Degrees of Canada.

Many types of Council were visited plus I was part of the Consecration Team for Atlantic Council and was also made an honorary member of the Council, which was quite a great honour and attended our Grand Communication in Victoria

Again we travelled to France and sent two registered letters to AMD of France and Belgium to try once again to create communication ties with these two countries. We have failed again in our attempts. France and Belgium basically have no interest in developing International Ties with other countries. Even their web site does not allow access for communications if you are not from their respective countries. I recommend to Grand Council that we should simply stop the efforts with France and Belgium.

On a positive note I have started to work with a group of Companions from Montreal, QC district and they are moving forward for the creation of new English AMD Council in in the Montreal area. I will support their efforts and assist them in their endeavours.

Fraternally Yours,
