As Sovereign Grand Master of the Allied Masonic Degrees of Canada Robert believes that this AMD organization is the new cornerstone of research and study of our beloved Craft. It is what the brethren wish and need. It is simply a place that a brother can excel in the knowledge of our secrets and mysteries. In essence he believes that AMD should be open to all Master Masons and not only the exalted masons because we are what the Master Masons seek, and it is what we seek in the transmission of light and wisdom. Because of this we know that the Allied Masonic Degrees of Canada and other Grand Jurisdictions of AMD are growing at an impressive rate.

Finally, he thanks R. Ven. Bro. Matt Fletcher, M. Ven. Bro. Brian Rountree, and the editorial team of the Architect for once more publishing the AMD Brethrens' research papers. It showcases who and what we are and demonstrates the excellence and necessity of this entity.
